*I grew up with jewelry, but my first love was always music. In an orchestra all the instruments fit together perfectly, the melody, the underlying strength, the softest grace notes - and your heart soars, and it's the most beautiful thing you've ever experienced.*

*That's what I wanted to do with diamonds, to make your heart soar every time you see your ring.*

*This is my exclusive collection. Your symphony of light.*

*Sir Michael Hill*
