# THE STORY BEHIND THE SHINE

Michael & Christine opened the doors of their first store 38 years ago, in the small New Zealand town of Whangarei, 100 miles north of Auckland.

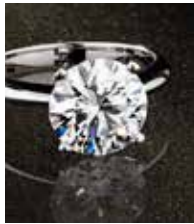

Back then, only the wealthy bought jewelry, so when they opened a store that offered beautifully designed and immaculately crafted jewelry that was accessible to everyone, it caught the imagination of customers and word spread. Seven years later, they had seven stores. Eight years later, they opened their first store in Australia.

We've grown dramatically since then and earned the reputation for amazing jewelry along the way. We now have over 300 jewelry stores in Australia, New Zealand, Canada and the United States. But one thing hasn't changed and never will: we think about you and the reasons behind your purchase – designing classic and contemporary pieces crafted to last a lifetime. That's why we remain one of the few jewelry retailers that have an in-house team of designers and master craftsmen.

All our diamond jewelry comes with our exclusive International Lifetime Diamond Warranty - offering you peace of mind for a lifetime. Within these pages you will find an inspired selection of new arrivals and exclusive offers to inspire you. We also invite you to explore all our classic designs, exclusive collections and limited editions instore or online today. We can't wait to welcome you to Michael Hill.

*My commitment is to help you find that timeless piece of jewelry that reflects your story today and tomorrow.*

*Sir Michael Hill*

Let love take over!

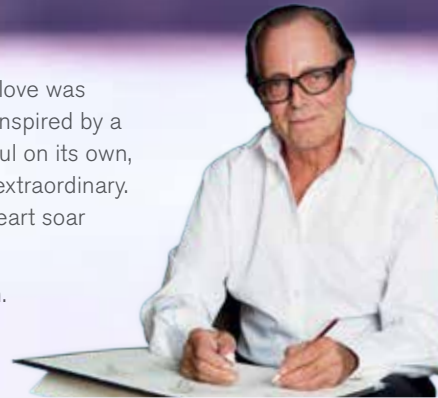

I grew up with diamonds, but my first love was always music. My signature collection is inspired by a symphony. Each design element is beautiful on its own, but together they create something truly extraordinary.

The ring so beautiful, it makes your heart soar every time you look at it.
